

Name of activity: Gross motor TIC TAC TOE

Purpose / Key words: gross motor, core strength, visual motor, executive functioning

Age range: K- grade 2, grade 3-5, middle school- teen

Materials

- Painters tape or household items to mark out a tic tac toe board
- Bean bags or toys / items (i.e stuffed animals, paper plates, cups,) to use as the X's & O's
- Play outside: use chalk to create board

Instructions

1. Mark out a large a large Tic -Tac- Toe board on the floor with tape
2. Give two players a set of bean bags and have them toss their bean bags into the squares to get three in a row!

*Fun additional options below:

Activity Modification

To simplify

- Mark off a board on the wall and have players use stickers as X's & O'S
- Use a white board and marks to create game
- Have players sit in front of the board to work on upright seated posture

To make more challenging

- Have players complete the game in different motor positions (tall kneeling, half kneeling, quadruped, prone)
 - Prone over foam roller or stable piece of furniture (otomen) or have player position themselves so their legs are on the couch & arms stabilizing on floor.

- Have players start a few feet away from the board. Each player picks an animal walk to transport bean bag to game board
- Have players make their tic tac toe pieces and create their own game board as part of the activity.
