

Building Skills through Therapeutic Play

IMMEDIATE OPENING
PEDIATRIC OCCUPATIONAL THERAPIST

Milton, MA

If you've dreamt of providing the **highest quality outpatient pediatric OT services**, we have the perfect opportunity for you at Boston Sensory Solutions!

We are a highly respected and collaborative clinic that truly helps kids and families in our ideal clinic setting-- stocked with all the supplies you can imagine. At BSS, you will work among a happy and fun-loving group of talented colleagues. We enable you to do your best work by providing real support to achieve work-life balance, including an efficient documentation system, a supportive mentoring program, and the ability to leave work on-time each day knowing you have made a positive difference for your patients and their families.

Boston Sensory Solutions is a sought after, pediatric occupational therapy practice, specializing in a Sensory Integration frame of reference to treat children ages 2-18 years. We are seeking a full-time OTR who has 3+ yrs experience in outpatient pediatrics and is motivated to provide family centered OT in a clinic setting. In this position you will complete evaluations, and provide 1:1 and group treatment. Hours will include Saturday mornings and weekday afternoons. This is a full time, benefited position with regular clinical supervision/ mentorship with practice owner (an OTR) and experienced team of OT's. Candidates must have a valid MA OT license and an OTR, as well as extensive experience with children and families. Join our team! We can't wait to meet you and help more kids and families together.
